Name of the Department/Society: **National Service Scheme**

Name of the Event 8: Best Out of Waste and Cleanliness Drive

Date of the Event: 2nd October, 2020

Mahatma Gandhi's beliefs served as stepping stones towards an independent India. One of the notions being, "Sanitation is more important than Independence" which helped shaping the nation we live in today, taught us the importance of a clean and healthy ambience. Abiding to Bapu's ideologies, we at NSS Hansraj organised a Cleanliness Drive to celebrate his birthday. We asked volunteers to clean any area of their surroundings, divide the waste into three categories and click a picture while doing so. We saw an active participation from our volunteers and recieved impressive reponses. Along with this, we organised a Best Out of Waste Competition. Through this competition, our aim was to recall Gandhi's teachings of cleanliness and promoting creativity among people to use their flair of turning the waste into something creative. Participants took part with great zeal and we saw some wonderful artistic pieces out of waste.
