**Name of the Department/Society:** National Service Scheme

**Name of the Event 28:** PLANTATION WEEK UNDER PROJECT PARYAVARAN

**Date of the Event:** 17th January 2022 To 23rd January 2022

According to WWF, "In the time it takes to say 'deforestation', another chunk of forest the size of a football pitch is destroyed." Realizing that it is now more important than ever to protect our green cover, NSS Hansraj organized a Plantation Week under 'Project Paryavaran' from 17th January 2022 to 23rd January 2022.

With a strong willingness and utmost concern to do something for mother nature, our enthusiastic volunteers planted tree saplings at their homes and nearby areas. They captured the moments abiding by their duties to the environment by sharing their geo-tagged pictures with us. They successfully contributed their bit in the hope that their individual actions will add to a bigger change in accelerating afforestation. Thus, it's high time that all of us recognize the need to collectively work towards helping our mother earth recuperate and thrive.
