Name of the Event 26: Session on Electoral Verification Programme

Date of the Event: 27th September, 2019

It has been widely quoted - "A democracy can only be a democracy when its people practice their power to vote." India is considered to be the largest democracy worldwide. Voting is the way to express the opinion of a citizen in a democratic nation and is crucial in activating the democratic process. With the same spirit, a session on 'Electoral Verification Programme' was organised by N.S.S Hansraj on the 27th of September, 2019. This programme facilitates the citizens from Delhi NCR regions to get their family details verified and get registered with the Electoral Commission of India and hence our session was aimed at spreading awareness about the same. Also, two volunteers of the team, Anjali Sharma and Surya Pratap Singh, presented their speeches to enlighten the masses about the same. They highlighted the importance of voting and also highlighted the procedure of the scheme. With that, the event was successfully concluded. The session turned out to be very informative and resourceful.
