**Name of the Department/Society:** National Service Scheme

**Name of the Event 2:** Visit to Yamuna Khadar

**Date of the Event:** 18<sup>th</sup> August, 2018

Underlining the spirit of 'service before self', N.S.S. Hansraj visited the Yamuna Khadar slum on 18th August 2018. Attended by the volunteers and coordinators of the Rural Development Wing and Environment and Disaster Management Wing alike, N.S.S. took up the responsibility to make the masses aware about hygiene, sanitation as well as the crucial importance of being socially and economically self dependent. We volunteered to showcase some inspiring videos to the women residing in the slum, to make them realise their true capabilities. The event was followed by another video-session wherein kids were made to realise the importance of hygiene and sanitation. Brought about through some fun and interactive videos, they were encouraged to keep themselves clean and wash their hands frequently. To culminate the session, a tree plantation drive was organised, wherein plant saplings were distributed to the masses, with an aim to increase the green cover around the slum, hereby marking it with bliss. We, at N.S.S., take great pride in reaching out to our less privileged brothers and sisters in the slum. The smiles on faces of the kids keep reminding us of the blessings that we garner for the rest of our lives. We would like to extend our heartfelt gratitude to the N.G.O., 'God Gives Everything' for the collaborative efforts.
