Name of the Event 8: Nutrition Week: Food Donation Drive

Date of the Event: 6th September, 2021

It is rightly said that giving is not just making a donation rather about making a difference. Keeping this in mind, NSS Hansraj successfully conducted a food donation drive near the metro station and roads of Kamla Nagar on 6th September 2021 on the account of Nutrition week, observed every year from 1st September to 7th September. The food donation drive was conducted especially for the children, taking into consideration this year's Nutrition Week's theme, 'Feeding smart right from the start'. Thereby, we distributed bananas and amul flavoured milk bottles to the children. It was surreal seeing magical smiles on the faces of innocent kids. We can't feed a hundred alone but can definitely feed them in unity.
