**Name of the event 54: Seminar on Organ Donation**

**Date of the event: 17th January, 2019**

It is rightly said that you should not think of organ donation as giving up a part of yourself to keep a stranger alive rather it's a stranger assimilating you in entirety to keep a part of you alive. NSS Hansraj organised a seminar on Organ Donation on 17th January, 2019 which was addressed by Ms. Sunayana Arora Singh from Organ India, Parashar Foundation, through which she brought up the importance of organ and tissue donation. The interactive session culminated with queries put up by the students to bring the best out of the seminar conducted. A visual presentation was also given to impart a great deal of knowledge to stress upon the need of organ donation. We would like to extend our heartfelt gratitude to Ms. Sunayana Arora Singh, Dr. Romila Rawat Bisht - our programme officer, and all the volunteers who attended the session.
