Cleanliness and order are not matters of instinct; they are matters of education and like most great things, you must cultivate a taste for them. - Benjamin Disraeli NSS Hansraj celebrated the hard work put in by the students who interned under the Swachh Bharat Internship Programme by Government of India in the summer of 2018. The internship programme was a step to ensure that the youth of the country makes the rural areas aware of the importance of hygiene and sanitation through field work, and hence devising solutions for the same. The programme head started with a moving address by Dr. Monika Koul regarding 'The Swachh Bharat Campaign', in which she underlined the various aspects of the movement and their crucial importance to our society. It was followed by the interns sharing their experience with the audience through presentations and speech addresses. The event was concluded by the awarding of the certificates by Dr. Romila Rawat Bisht and Dr. Monika Koul to various participants, followed by a vote of thanks. We would like to thank Dr. Romila Ma'am, Dr. Monika Koul Ma'am and our volunteers for marking the event with their gracious presence.
