Name of the Event 10: Dengue and Cleanliness Awareness at Yamuna Khadar

Date of the Event: 15th September, 2021

With the objective of safeguarding the most vulnerable population of slum-dwellers from the disease, we at NSS organized a session on 'Dengue and Cleanliness Awareness' at a school in our adopted slum Yamuna Khadar on 15th September, 2021. In the session, more than 50 residents were made aware about the symptoms, preventive measures and home remedies for treating the disease. Also, the significance of various hygienic practices like washing hands, maintaining cleanliness at home, proper disposal of sanitary napkins and menstrual health was discussed with an interactive Q/A round in the end. To ensure the application of these practices, sanitary napkins and soaps were distributed among the dwellers at the end of the session. On the whole, the session marked huge success. We were glad to witness a change in the lives of the underprivileged people.
