Name of the Event 27: Padhaku Career Course

Date of the Event: 15th and 16th January, 2022

Considering the utmost need of assisting the youth and synchronizing them to the real path of enlightenment, we conducted a Career Counseling Session for our Padhaku students of standards 10th and 12th on 15th and 16th January 2022 respectively.

We successfully counselled the young blood by providing true knowledge, insights and guidance on how and what to choose as a career. The session indeed turned out to be a fruitful one. It was marked by spirited participation wherein our Padhaku students enthusiastically engaged with us, figured out answers to their various queries and had all their doubts cleared on how to go about making an informed decision with regard to their future career trajectory.
