

**2020 - 21**

**Name of the Department/Society: NSS Hansraj**

**Name of the Event 54: Webinar Cum Interactive Session**

**Date of the Event: 7 September 2020**

Since the lockdown has hampered the physical classes, NSS Padhaku has nowhere lost its enthusiasm to promote and educate the students in multi-disciplines via online means.

And hence, On 7th of September, the 3rd series of "Webinar cum Interactive session" has been conducted to broaden the holistic approach of kids from basic education to new horizons of life. The Topic - "Socio-emotional skills" was continued and the Padhaku kids were made acquainted with the new aspects of Friendship; the meaning of true friendship, the difference between bad and good companionship and so on. A plethora of Games in the form of Grounding and Brainstorming activities have been conducted to retain the interest of students wholly in the session along with video clips.

The session was pretty engaging, children participated in every activity with their full potential and zeal.
