Green O Mania, a general quiz competition on the environment, was a successful collaboration between Illuminati - The Hansraj College Quizzing Society and Haritima - The Environmental Awareness Society. Held on October 18, 2023, in the Hansraj College seminar room, the event attracted a diverse group of enthusiastic participants. The quiz, designed to test participants' knowledge of environmental issues and current affairs, consisted of three rounds: a written round, an audio-visual round, and a rapid fire round. The questions ranged from easy to challenging, ensuring that all participants had a fair chance to showcase their knowledge. The atmosphere was electric, with participants eagerly awaiting the results. The winners were announced with much fanfare, and prizes were distributed to the top scoring teams. The event concluded with a lively discussion on environmental conservation and the importance of raising awareness about pressing environmental issues. Green O Mania was a resounding success, not only in terms of participation but also in terms of fostering environmental awareness among the student community. The event provided a platform for students to learn about environmental issues and engage in friendly competition. Poster of the Event
