

# THE PLACEMENT CELL HANSRAJ COLLEGE

# PLACEMENT REPORT

SESSION 2023-24

# CONVENERS' FOREWORD

Ms. Alka Kacker  
(IQAC Director)

Dr. Shailu Singh  
(Convener)

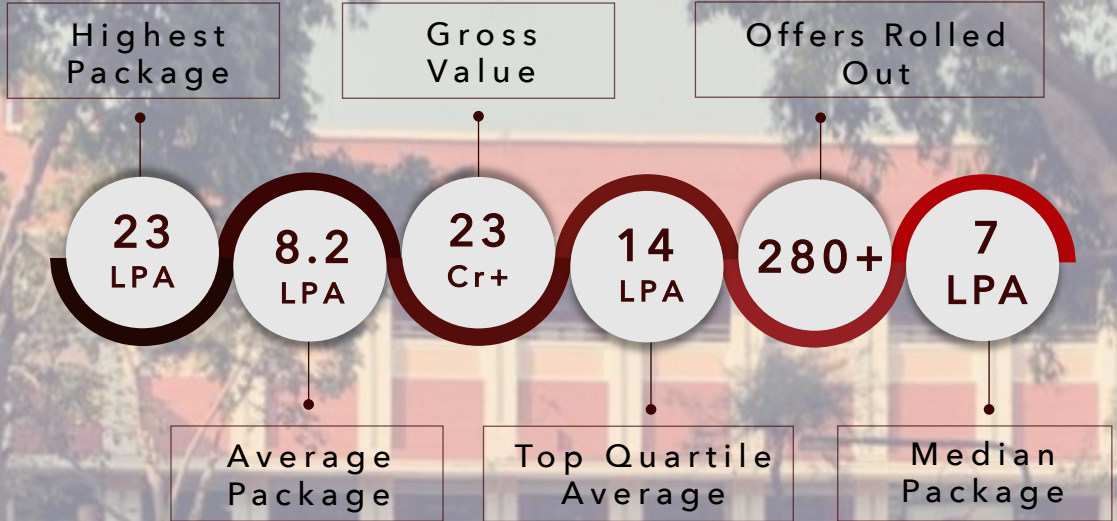

The Placement Cell plays a fundamental role in providing the right opportunities to the students as they embark upon their journey from college life to the corporate world. The finest academic talent pool of Hansraj has proved their capabilities over the years by becoming treasured assets of the organizations they have been a part of and how they have transformed themselves into astute and pragmatic leaders of the future. The Cell has undertaken myriad initiatives to upskill the students and facilitate their holistic development so that they can make better-informed decisions and are better prepared for the dynamic and challenging placement processes besides fulfilling the gap to marry up the requirements of the companies with the right skill sets of the students.

Despite the current economic climate, it was a source of pride to bring aboard many new and prestigious organizations during the 2023-24 Placement Season and witness these companies, from diverse industries, extend 280+ offers to our students. The placement process also saw a noteworthy rise in average and median salaries, showcasing the hard work, flexibility, and dedication of our Placement Team.

As we commence the next session, it gives us immense pleasure to extend a heartfelt welcome to our distinguished recruiters to take part in this journey toward excellence and look forward to another fruitful placement session.

# TRAINING AND WORKSHOPS

Since the beginning of the Placement Season 2023-2024, the Training & Workshop department of The Placement Cell has conducted various sessions spanning a wide range of topics in an effort to upskill the students and support their holistic development.

A Case workshop was organized in collaboration with The Consulting and Strategy Club, IIM Lucknow in July 2023. The workshop was conducted by Katya Dua and other members of The Consulting and Strategy Club. The students gained familiarity with the consulting domain through the presentations aimed at solving different types of cases. The presenters also provided insightful information on a typical case interview by examining the different kinds of case questions.

A seminar aimed at guiding students toward an effective roadmap for GMAT preparation featured Mr. Chiranjeev as the distinguished speaker. An esteemed alumni of Hansraj and a graduate of IIM Ahmedabad, Mr. Chiranjeev, delivered an enlightening session with over 50 participants. The discourse gave attendees profound insights into strategic GMAT preparation methodologies, offering them a valuable foundation for success in the examination.

In a thought-provoking session featuring Ms. Puja Das, an influential figure who is distinguished for her contributions in strategy and operational excellence at Cure Fit, and renowned as the Founder & CEO of Sandbox, led an engaging session on career decision-making. Leveraging her experience, Ms. Das discussed crucial factors, including the interplay of profile and company sector, providing participants with a comprehensive understanding of navigating career choices and staying aligned with industry trends.

An interactive session was held in collaboration with Talerang. Ms. Sneha Gehani, Manager of Partnerships and Campus Outreach at Talerang led the session. She shared her valuable insights to foster a work-ready India. Students gained insights into various post-graduation options, from jobs to entrepreneurship. The interactive discussion empowered them with decision-making skills. The session also included some fun activities that enhanced engagement, receiving positive feedback.

Ms. Ipshita Sharma, a TISS Mumbai graduate, led an interactive session with Teach for India on challenges in India's education system. She highlighted alarming statistics and explored the potential causes behind the crisis. The session showcased Teach for India's efforts, particularly its Fellowship program fostering educational equity in the country. It also discussed career paths of Fellowship alumni, driving positive change in education.

Rakshita Dubey, an esteemed alumna of Hansraj College and Symbiosis Institute of Management Studies, shared her journey from college to Vice President at Goldman Sachs. Leveraging her experience at Credit Suisse and Goldman Sachs, she offered invaluable insights into navigating the finance industry. She shared her experiences from both Hansraj and Symbiosis and how she planned her career trajectory. The interactive session provided attendees with practical insights for their finance careers.

An insightful session was conducted to assist CFA aspirants in refining their preparation roadmap, featuring Mr. Gaurav Kapur as the speaker. He is serving as the Director of Government Relations at CFA Institute India. His expertise provided valuable insights for exam preparation and career paths in finance. The session was attended by more than 60 students and it concluded with an online quiz, reinforcing key learnings and engaging participants.

# CORPORATE COMPETITIONS

Hansraj College, founded on principles of advancement and personal development, actively promotes student engagement in various corporate competitions. These events serve as platforms for students to refine their practical abilities, demonstrate their talents, and enhance their technical proficiency. The enthusiastic participation from students in the initial phase reflects their growing confidence, which positively impacts all facets of their lives.

## HSBC BUSINESS CASE COMPETITION '24

The HSBC/HKU undergraduate business case competition, renowned as the world's largest, serves as a crucible for students to hone their business acumen within real-world scenarios. Among the standout contenders were "4-sighted Consulting," featuring Ayush Jain, Saksham Bansal, Suhani Jain, and Mahi Rawat, who emerged as National Finalists. Their distinction was solidified by surpassing over 3100 students from 70 colleges nationwide, showcasing their exceptional problem-solving prowess and strategic insight on a grand stage.

## EY CAFTA CASE CHAMPIONSHIP '23

EY CAFTA, a premier national finance and treasury case study competition for Indian university students, fosters skill enhancement and strategic corporate acumen through rigorous research. In a resounding triumph, Team NPA, with Krishna Golyan and Surabhi Parida from Hansraj College, emerged as National Champions, triumphing over 200+ teams. Meanwhile, Team R&Di, led by Raghav Verma and Daksh Ahuja from the same institution, secured a prestigious top 5 placement, underscoring their exceptional talent and dedication.

## BrAINWARS- BAIN CAPABILITY NETWORK

In the fiercely competitive BrAINWARS case study competition organized by BCN, two teams from Hansraj College left an indelible mark. 'Eunoia', consisting of Chhavi Gulgullia, Khyati Gupta, Priyanshi Rai, and Parul Singhal, and 'Deficit Consulting', comprising Ayush Jain, Dhruv Aggarwal, Krishna Golyan, and Manvi Gupta, both secured coveted positions in the prestigious Top 10 nationwide. Their exceptional problem-solving skills, strategic acumen, and collaborative spirit propelled them to this remarkable achievement, earning admiration and recognition on a national scale.
