The Department of Physics and Electronics

Hansraj College

Event Report

Event name: Exposure Science Visit to Bureau of Indian Standards (BIS) Central Laboratory.

Date of the event: February 05, 2024

In line with its dedication to inspiring students to delve into various realms of Physics through practical engagement, Hansraj College's Department of Physics and Electronics orchestrated an enlightening Science Visit to the Bureau of Indian Standards Central Laboratory in Ghaziabad on Saturday, February 05, 2024, from 9:00 am to noon. Throughout the visit, students were immersed in a dynamic blend of interactive sessions and immersive laboratory tours, showcasing the tangible benefits of adhering to standards for both industry and consumers. The program also featured compelling case studies demonstrating the profound impact of BIS standards on consumer safety and product quality. With over 35 eager participants in attendance with 05 physics faculties, the event fostered insightful discussions that underscored its effectiveness. Overall, the visit empowered students with a deeper understanding of the Quality Assessment process for products and instilled a sense of responsibility in promoting consumer safety and rights awareness.
