"The objective of cleaning is not just to clean but to feel happiness living within that environment."

With this thought in our mind, we at NSS Hansraj successfully organized a Plogging Drive on 13th February 2022 at the campus on the account of fourth day of Love Week. Under the same, we asked our volunteers to assemble and clean the area near Vishvidyalaya Metro station.

Our zealous volunteers participated enthusiastically in the drive, they carried garbage bags alongwith them and collected plastic waste while plogging. They also educated people on how they can do outdoor exercise along with waste collection and become more socially responsible towards environment.

We at NSS Hansraj believe that environmental cleanliness begins with each individual desire to be clean. So, we encourage everyone to make collective efforts to clean their surroundings. Let's together take a pledge to adopt practices that minimize wastage!
