Event Description (About 250 Words)

On the 14th of December 2023, the Department of Physics and Electronics, Hansraj College, University of Delhi, organized a one-day educational trip to the Rashtrapati Bhavan on the occasion of Vimarsh Shrinkhala with Shri S. Somanath, Secretary, Department of Space and Chairman, ISRO as guest speaker. This trip was attended by the second-year students of the Physics department.

The group departed from Hansraj College at 10:10 AM and arrived at the Auditorium, RBCC, Rashtrapati Bhavan at 10:55 AM. Shri. S. Somanath, Chairman ISRO and Secretary, Department of Space delivered a lecture on 'India's Space achievements: Story of ISRO'. During the interactive lecture, he shared his experiences and vision of India's missions and technological advancements with scientists, teachers, and students from various colleges and schools, inspiring the next generation of space enthusiasts. During the lecture, ISRO Chairman S. Somanath discussed the advanced technologies required for future lunar missions, particularly focusing on a potential **sample return mission**. mission with the goal of launching it within the next **four years**. Shri Somanath also provided updates on two other major projects—**Gaganyaan**, India's first human spaceflight mission, and the development of the **Indian Space Station**, projected to be completed by **2035**.

The trip concluded with the group departing from Rashtrapati Bhavan at **2:30 PM**, returning to Hansraj College shortly afterward. This lecture provided valuable insights into ISRO's ambitious plans for lunar exploration and the future of India's space program.
