Name of the Event 12: Pledge to stop Covid-19

Date of the Event: 8th October, 2020

Covid-19 has been rapidly spreading around the world for the past few months. Our government is taking precautionary measures to prevent its spread but our individual efforts are equally important to fight the battle against this pandemic. Hence on 8th October 2020, we at NSS Hansraj pledged to follow all preventive measures in order to contain the spread of the lethal virus. The pledge was taken on Google Meet platform in both Hindi and English languages, where all the volunteers assembled together and took the pledge. They took an oath to maintain two-yard distance, wear masks, and wash hands frequently. Reciting the pledge stirred up awareness and sense of responsibility among the volunteers, thereby, inculcating the will to be more conscious of their actions which will ultimately lessen the chances of exposure to coronavirus.
