On February 15th, 2024, Rasayanatva, The Chemical Society of Hansraj College, hosted the Dr. Prafulla Chandra Ray Memorial Quiz at the Old Seminar Hall within the college premises. The quiz was held over three extremely engaging and competitive rounds, and in the third-round spirits were very high and the atmosphere was electric with excitement - we also had our very own edge-of-the seat moment, one just had to be there to feel it! The team 'Homolysis', comprising Rasraj Thoudam and Debadrita Dinda from Hindu College, clinched the top spot. All in all, the occasion showcased a remarkable display of intellect, perseverance and quizzing prowess, and is only proof that the quizzing spirit is very well alive and breathing, and Rasayanatva is doing its part in keeping this spirit alive. Rasayanatva extends heartfelt appreciation to all participants for their fervent participation, and eagerly anticipates many such engaging events in the future.
