Name of the Event 39: CLEANLINESS DRIVE

Date of the Event: 13th February to 19th February, 2022

Considering the importance of health and hygiene, we at NSS Hansraj organised a virtual Cleanliness Drive from 13th February to 19th February as a part of our Love Week celebrations wherein the volunteers had to clean their community area and share the geo-tagged picture of before and after cleaning the area. This activity was conducted to sensitise people towards the importance of maintaining a clean environment and make our community neat and hygienic. We extend our immense gratitude to all the volunteers who participated in the drive wholeheartedly and made it a great success.
