NAAC ACCREDITED 'A++' GRADE COLLEGE

6. Name of the Event: **Speaker session on "Discovering the joys of Mathematics through Applications, Projects and Research" and Pi-Day Celebration.**

Organizer: Pi Society: Students Council and all faculty member, Department of Mathematics.

Date of the Event: March 14, 2024

Venue: Multipurpose Hall, C Block, Hansraj College

Duration/Event Timing: 5 Hour

Speaker: Prof. Geetha Venkataraman, Professor, School of Liberal Studies and School of Undergraduate Studies, Ambedkar University, Delhi.

Name of the Coordinator: Dr. Raksha Verma

Name of Convenor: Dr. Om Prakash Meena, Department of Mathematics

Event Description:

On March 14th, 2024, Pi: Department of Mathematics, Hansraj College commemorated International Pi Day with an event named Pi-Logue, celebrating the transcendental nature of pi and the wonders of mathematics. The event commenced with the traditional lighting of the lamp ceremony, symbolizing enlightenment and knowledge.

Speaker Session:

Distinguished mathematician Prof. Geetha Venkataraman, from Ambedkar University, Delhi, delivered an enlightening session on the multifaceted world of mathematics, emphasizing its diverse applications, projects, and research avenues, particularly at the undergraduate level. Prof. Venkataraman, a specialist in Group Theory, expounded upon various mathematical appliances and ongoing projects at the undergraduate level, highlighting the significance of undergraduate research journals in fostering mathematical inquiry. Her illustrious academic journey, from earning a bachelor's degree from St. Stephen's College, University of Delhi, to receiving a doctoral degree from the University of Oxford, underscored her expertise and passion for the subject.

Pi-Logue Competition:

The highlight of the event was the Pi-Logue competition, challenging participants to recite the first 50 digits of pi in the shortest time possible. After intense trials, Saloni, 3rd year student, from Hansraj College emerged as the champion, showcasing remarkable mathematical prowess by reciting the digits in just 6.33 seconds followed by Pratima from Hansraj College and Lakshita from Gargi College. The competition showcased the participants' dedication and memory skills, as they navigated the infinite digits of pi in pursuit of victory.

Acknowledgements:

In recognition of her invaluable contribution, Prof. Geetha Venkataraman was honored with a token of appreciation by the teachers of the Mathematics Department. The event culminated with a heartfelt vote of thanks delivered by the Vice President, expressing gratitude to the esteemed speaker, enthusiastic participants, and dedicated council members for their efforts in making the event a resounding success. The participants were lauded for their enthusiasm and spirit, contributing to the vibrant atmosphere of mathematical celebration.

Conclusion:

Overall, Pi-Logue served as a platform for celebrating the infinite beauty and complexity of mathematics, uniting students and scholars in a shared appreciation for the marvels of the mathematical universe.
