Areas Covered:

1. Windows Area: The cleanliness drive commenced with the windows area. Volunteers and staff diligently cleaned the windows, removing accumulated dust and dirt, allowing more natural light into the premises.
2. Botany Department Area: The Botany department area was the next focus. Participants ensured that this important academic space was pristine, creating an environment conducive to learning and research.
3. Amphitheater: The amphitheater, a hub of cultural activities, was not forgotten. Volunteers and staff worked together to clear debris and litter, making it more inviting for college events.
4. Mitti Cafe: The heart of socialization and refreshments, Mitti Cafe received special attention. It was thoroughly cleaned, making it a more enjoyable place for students to unwind.
5. LP Area: The LP area, often bustling with student activities, was transformed. Participants cleared litter and ensured a clean, green space for all to enjoy.
6. Photostat Shop Area: The drive culminated at the photostat shop area. Cleaning here facilitated a more organized and efficient service for students.

The cleanliness drive started at 10am and lasted for an hour and a half. It left a profound impact on the college campus. It not only enhanced the visual appeal but also created a more hygienic and pleasant atmosphere for students and staff alike. The collaborative spirit displayed by Project A Million More volunteers and college housekeeping staff was exemplary, showcasing the importance of community efforts in maintaining a clean and healthy environment.

The success of this drive serves as a testament to what can be achieved when like-minded individuals and organizations come together with a shared purpose. It is hoped that this initiative will inspire more such endeavors, not just in Hansraj College but throughout the community.

As we look to the future, let us remember that small acts of cleanliness can lead to a big change in our surroundings. The Hansraj College cleanliness drive of October 14, 2023, is a shining example of this potential.
