Name of the Department/Society: **National Service Scheme**

Name of the Event **69**: Online series 'The Entrepreneurial Diaries'

With the vision to transform organizations by augmenting their core digital capabilities, INFOSYS is the second d-largest Indian IT company. It was established on 7th July 1981, and became the first limited company in the year 1992.

Driven by innovation in technology, it provides software development, maintenance and independent validation services to companies in finance, insurance, manufacturing and other domains. It also started many socially oriented projects like COVID-19 Relief Measure, Spark-IT, SAATHI, etc. through its CSR funds. Over the years, INFOSYS has made astounding contributions towards education, environment, healthcare and sanitation.

Through our series, The Entrepreneurial Diaries, we have tried to spread awareness about the socially and environmentally oriented projects of Infosys and its contribution in public welfare.
