Name of the Event 14: Flash Mob on Plastic Waste Prevention

Date of the Event: 24th September, 2018

NSS Hansraj commemorated NSS Day to mark the celebrations of the inherent values of our eternal goal! A Flash Mob was conducted on Plastic Waste Prevention, in College Campus as well as at the Vishwavidyalaya Metro Station. The enthusiastic participants sensitised people by holding the spectators spellbound by their stunning way of spreading awareness. Moreover, a 'Best Out of Waste' competition was organised in which the creative volunteers created beautiful artefacts out of waste, transforming trash articles like plastic bottles, cups etc to some very useful commodities. Also, a 'Plogging Drive', an activity wherein trash is collected alongside jogging, was organised in which the hard-working volunteers gathered at the college gate before the commencement of classes and cleaned the surrounding area. It was a very enthusiastic effort as the volunteers worked very tirelessly. We would like to convey our thanks to the volunteers for their enthusiastic support!
