

**2020-2021**

**Name of the Department/Society:** National Service Scheme

**Name of the Event 20:** Webinar on Organ Donation

**Date of the Event:** 19<sup>th</sup> October, 2020

The demand for organ transplantation has rapidly increased all over the world due to the increased incidences of vital organ failure. However, the unavailability of adequate organs for transplantation to meet the existing demand has resulted in major organ shortage crises. In order to address this problem and spread awareness about organ donation, a webinar was conducted by NSS Hansraj on 19 November, 2020, in which, Dr. Geetika Vashisth from ORGAN India addressed the topic “Organ Donation”. In the session, various topics related to organ donation and consequences of organ shortage were discussed and various topics like types of organ donations, process of organ donation, laws governing organ donation in India were also covered. Various doubts related to the topic were also cleared in the Q&A session. It was a highly informative session in which students took great interest and realised the importance of organ donation.
