

2019-2020

Name of the Department/Society: National Service Scheme

Name of the Event 12: Plogging Drive

Date of the Event: 31st August, 2019

We at N.S.S. Hansraj work with a zeal to clean the environment and beautify our mother nature using novel and inspiring ways. To progress with the same zeal, we organised a PLOGGING DRIVE, an initiative to get rid of the plastic in the surrounding areas by collecting waste from the surroundings while jogging. During this drive, students gathered in the college campus and jogged to clean the nearby areas; they collected the plastic wastes they encountered and also informed the people about the hazardous impact of plastic on the environment and Human health. The nearby people joined them too and pledged not to litter the environment with plastic wastes. It was overall a motivational and informative event.
