### **Description of the Event**

The Commerce Society, Hansraj College started its recruitment process on August 16, 2023, immediately following the Commerce Department orientation. On this day, registration forms for the society were made available to eager students. To add an exciting twist, a direct entry game known as "ComQuest" was skilfully organized on August 28th, 2023 offering one participant a direct pass into the society, while three individuals earned the opportunity to participate in interviews without the need to complete the recruitment form.

ComQuest proved to be an exhilarating blend of business and finance intricacies, combined with current affairs and a diverse range of entertainment genres. With great enthusiasm, the registration period drew to a close on August 31st, and the response from students was remarkable.

A total of 223 candidates eagerly filled out the application forms, representing the entire B.Com. (Hons.) Class of 2026/27. After reviewing the forms, 168 exceptional candidates proceeded to interviews starting on September 5th. The senior team conducted interviews to select 49 first-year students, marking the start of their journey with the society. The recruitment process was a success, providing new students with invaluable exposure to the vibrant and inclusive society culture at Hansraj College.
