**Name of the Event 58:** Drawing Competition with YK kids

**Date of the Event:** 28 January 2021

Drawing is rather like playing chess: your mind races ahead of the moves that you eventually make.

Keeping this thought in mind, we at NSS Hansraj organised a drawing competition for the children of Yamuna Khadar slum on 28 January, 2021. The sole objective of the event was to bring out the best of creativity in the slum children who usually aren't exposed to such opportunities. We were overjoyed to see the overwhelming response and enthusiasm of the children. They actively took part in the event and made it a huge success. Later, gifts were also distributed among the children who participated in the event. We hope that our efforts were successful in making these children realise that drawing is not what others see, but what one can make others see.
