NAAC ACCREDITED 'A++ GRADE COLLEGE

2023-2024

Name of the Event: Adhyayan 3.0

Organised by: Neenv-The Human Resource Development Cell

Date of the Event: 7th and 8th September 2023

Duration/Event Timing: 6 hours(4-7 PM)

Venue of the Event: Google Meet

Name of Convener: Dr. Neera Chopra

Event Description:

Skill development sessions are essential for bridging the gap between theoretical knowledge acquired in classrooms and the practical skills required in real-world scenarios. With a vision of enhancing young minds with information and expertise, Neenv-The HRD cell of Hansraj College aims to provide guidance to students by helping them get a practical grasp of concepts through Adhyayan 3.0, i.e., a skill-building workshop dedicated to fostering holistic skill development among students. This 2-day workshop, conducted on the 7th and 8th of September, 2023, included various skill enhancement sessions covering a diverse range of topics like CV Building, Internships, Consulting basics, LinkedIn, Basics of Photoshop, Personal Interviews, and Group Discussions. These sessions were formulated by our team through deep research and in-depth knowledge on various topics. Through this 2-day interactive workshop, we created a dynamic learning environment, encouraging active participation of students with society members. These sessions not only equip students with practical skills but also provide valuable insights into industry trends. We also live-streamed the sessions on our YouTube channel so that those who could not attend could benefit afterward. Our aim is to empower individuals with the tools they need to excel academically and thrive in their future careers.
