2018-2019

Name of the Department/Society: National Service Scheme

Name of the Event 26: Project Aahar

Date of the Event: 9th November, 2018

Squander less, feed more. With Project Aahar, share love galore! It is rather too painful to see hundreds of homeless and poor people go to bed with an unfilled stomach each day. It is even more depressing to not be able to extend a helping hand and watch these people starve miserably. But, no more! The Environment and Disaster Management Wing of NSS Hansraj College brings to you Project Aahar! A programme that has now been functional for two whole months, Project Aahar aims at providing nutritious food to these underprivileged individuals by channelising the excess food collected from various PGs and student accommodations all across the Delhi University campus such as Stanza Living PG, Mannat PG and Shreya PG to be channelised to areas like Ghanta Ghar which are typically inhabited by such people. These food drives are conducted at around 10 in the night with volunteers and coordinators of the numerous wings collecting the extra food that would otherwise have been discarded, and distributing it among children, women and other vulnerable sections of the aforementioned areas. On Diwali, under the same program, we also donated sweets to these brothers and sisters of ours on this festive occasion. We offer our sincere thanks to all the contributors of this sublime cause. To see the smiles of gratitude and love pouring out from the faces of the less privileged, is indeed a pleasure indescribable in words and thus, Team NSS Hansraj invites each one of you to participate in this noble initiative!
