

2021-2022

Name of the Department/Society: **National Service Scheme**

Name of the Event 34: SHOWING LOVE TO HELPERS

Date of the Event: 9th To 14th February 2022

NSS Hansraj on the account of first day of Love Week encouraged everyone to step forward and leverage the opportunity to embed seeds of love in the life of the unsung heroes with whom we share an unsaid bond. Under this, volunteers were required to prepare cards and donate a mask, chocolate or anything of the like to the community workers.

Since community helpers are people of impact, they do things that make our lives easier and offer services that are of immense value to the community, our volunteers also participated in requesting community workers to allow them to work with them for a day and holistically interact with them. The volunteers also shared their lively photographs and clippings with us while undertaking both the aforesaid activities.
