Date of the Event: 4th October, 2021

NSS Hansraj successfully organized a cleanliness drive on the 4th of October at Neighborhood Woof Timarpur Kennels as a part of 'Joy of Giving Week 2021'. Our zealous volunteers worked hard in ensuring that the entire place was disinfected and clean for our furry friends. Our volunteers also had a productive heartfelt discussion with the proprietor of the shelter as they all took a moment to appreciate the acumen and insights of how blessed we are with the diversity of fauna existing amidst us. They were also briefed on why the sterilization process is essential to keep the canine population under control. The rescue stories of some dogs were beyond motivating and our volunteers had a thrilling and delightful time as they played with the affectionate and friendly dogs.
