Name of the Event 10: A Day with Loved Ones

Date of the Event: 6th October, 2020

We at NSS Hansraj soaking in the spirit of sharing is caring, celebrated 'Joy of Giving Week' from 5th October to 10th October 2020 with our volunteers, their families and underprivileged children and people. In this regard, we organised multiple online events, the second event being, "A day with the loved ones" which gave us the golden opportunity to show our love to our grandparents and reconnect with some old friends. The volunteers spent some quality time with their grandparents and old friends and shared their memorable moments with us. Our initiative was an attempt to strengthen the bond between the individuals and their loved ones which was successfully accomplished. They shared numerous pictures while cooking, playing, going on a walk and a lot of other experiences with us. The success of the event was evident through the joyful smiles of all the participants in the lovely pictures they shared. We are thankful to everyone who actively participated in this activity.
