NAAC ACCREDITED 'A++' GRADE COLLEGE

2023-2024

Name of the Event: Speaker Session

Organized by: Nishtha Society

Date of the Event: 7th September 2023

Name of Convener: Dr. Prabhanshu Ojha

Description of the event

The event featuring Mr. Gaurav Agrawal, the accomplished IAS 2013 AIR 1, unfolded as a fountain of profound insights and guidance for aspiring civil servants. Mr. Agrawal articulated the indispensable virtues of sustained effort, resilience, and enduring patience crucial for navigating the challenging terrain of the UPSC examination. Notably, his departure from the conventional trajectory became evident when he chose Economics as an optional subject, a decision shaped by his prior experience in the dynamic field of sales.

Navigating the nuances of an engineering background, Mr. Agrawal addressed the complexities of answer writing and underscored the transformative impact of dedicated practice. His philosophical underpinning underscored the intrinsic joy of the learning process and the value of cherishing academic pursuits. Addressing the pivotal decision of selecting an optional subject, Mr. Agrawal's encouragement to pursue one's passion, irrespective of college background, added a layer of individuality to his guidance. His delineation of a guru mantra encapsulating breaking down complex topics, disciplined work ethic, and an unwavering thirst for understanding became a beacon for aspiring candidates. Practical advice on NCERT preparation further illuminated the path, with a focus on commencing from the 11th and 12th grades, and extending science coverage to the 10th class. Balancing the demands of college and UPSC, he advocated academic excellence while concurrently delving into current affairs and fundamental NCERTs.
