

## 2021-2022

**Name of the Department/Society:** National Service Scheme

**Name of the Event 37:** VISIT TO YAMUNA BIODIVERSITY PARK

**Date of the Event:** 12th February 2022

We at NSS Hansraj successfully organized a visit to Yamuna Biodiversity Park on 12th February 2022 as a part of our Love Week celebrations. The visit comprising fifteen volunteers proved out to be a productive and educational one, instilling each volunteer's mind with a sense of affection and moral connection with nature and its beauty.

The guide at the park helped greatly in familiarizing each volunteer with different species of flora and fauna, concept of biodiversity and its evolution in the recent years. She also shared various aspects and led us through the journey of spectacular history of Yamuna Biodiversity Park and explained how its positive impact contributes to the development of local people's economy and livelihood there.

The volunteers were also told about different migratory birds coming for food and shelter from the far ends of Leh-Ladakh and China region during winter season. This visit successfully inculcated the minds of our volunteers with a sense of moral and ethical connection with nature followed by shouldering the collective responsibility of conserving this invaluable wealth.
