Event Description (About 250 Words)

Our visit to the “Yes We Can Trust” NGO was an inspiring experience. The organization empowers specially abled individuals by engaging them in baking activities, providing entrepreneurial opportunities. We toured their facility, witnessing participants actively involved in the baking process, gaining both skills and independence.

During our discussions with the NGO’s management, we identified a shared vision for supporting specially abled individuals. To formalize our partnership, we signed a Memorandum of Understanding (MoU), confirming our collaboration. This MoU lays the groundwork for future initiatives to expand their entrepreneurial efforts, and we are excited to work together to create a lasting impact.
