

**2018-2019**

**Name of the Department/Society: National Service Scheme**

**Name of the Event 13: Survey in Yamuna Khadar**

**Date of the Event: 23<sup>rd</sup> September, 2018**

The Rural Development and The Environment and Disaster Management wings of NSS Hansraj joined hands to organise a survey for the inhabitants of Yamuna Khadar lately. The survey aimed at identifying the number of households possessing Aadhar and ration cards. The volunteers from both the wings came to the following conclusion - Almost all the inhabitants hold Aadhar cards but a relatively less number of them are ration card holders. The drinking water supplied is usually clean but the sole source, a hand pump, usually proves to be inadequate for the entire slum population. Meanwhile, the volunteers from the Environment Wing also sensitised people about the importance of maintaining hygienic surroundings, and regarding a contest wherein the cleanest household in the slum would be awarded attractive prizes. The survey, indeed, provided us with statistical insights into the status quo of the developments in the slum. We would like to thank all the volunteers for their dedicated response!
