WORLD'S STANDARDS DAY 2023 REPORT

Name of the Event: World Standards Day

Date of Event: 4/10/23 & 10/10/23

World Standards Day (or International Standards Day) is celebrated internationally each year on 14 October. The day honours the efforts of the thousands of experts who develop voluntary standards within standards development organizations such as the American Society of Mechanical Engineers (ASME), International Electrotechnical Commission (IEC), International Ethics Standards Board for Accountants (IESBA), International Organization for Standardization (ISO), International Telecommunication Union (ITU), Institute of Electrical and Electronics Engineers (IEEE) and Internet Engineering Task Force (IETF). The aim of World Standards Day is to raise awareness among regulators, industry and consumers as to the importance of standardization to the global economy.

Hansraj college in the collaboration with Bureau of Indian Standard organized the celebration of the World Standards Day 2023 in two stages-

1. **Special campaign through youth to youth connect:** On October 4th 2023, 35 students of the college from different courses were trained as volunteers for conducting the campaigns to disseminate information about the standardization and conformity assessment and its importance in day-to-day life.
2. **Day-long program:** A day-long program was organised in the institution on October 10th, 2023 consisting of technical sessions on the importance of Standards, Standard-writing competition, Quality Quiz, Essay writing, Poster-making and debate competitions, etc. Around 100 students participated in these competitions and the winners were given *Cash-prizes* and *certificates of merit*. All other participants were given *certificates of participation*.
