**Date of the Event: 27 February 2024**

**Venue of the Event: At Padhaku Class**

**Name of Convener: Dr. Romila Rawat Bisht**

## **Event Description :**

We, at NSS Hansraj, along with the Institution Innovation Council, held an Innovation and Entrepreneurship Outreach Program on February 27th, 2024, at Yagyashala with the local community. The event aimed to educate the audience, comprising Padhaku Students, their parents, and college workers, about the process of creating various 'easy-to-make' products and how they could serve as entrepreneurial opportunities for them.

Throughout the event, attendees were engaged in hands-on demonstrations of product-making, including soap, sanitizer, moisturizer, and holi colors, using readily available materials. The interactive sessions provided valuable insights into the manufacturing process of these preservative-free, chemical-free, and toxin free products and highlighted the potential for entrepreneurial ventures with minimal investment and promising returns. Members of the Institution's Innovation Council led the demonstrations, showcasing each product and explaining its market potential.
