NSS Hansraj got the golden opportunity to participate in the cleanliness drive and inauguration of Clean Yamuna Bank in the SouthEast district of Delhi. The campaign was flagged off by the honourable Chief Guest Mr. Rajendra Singh, popularly venerated as the 'Waterman of India'. More than a thousand volunteers were engaged in it from all across Delhi. They even volunteered in picking up the waste from the Yamuna river and its banks. Moreover, five zealous volunteers of NSS Hansraj came forward for this drive and contributed to fulfilling their responsibility towards the environment. The perpetual participation of NSS Hansraj in such events evince our endeavors to initiate positive changes in the environment and spread the word on such issues. NSS Hansraj under its Environment & Disaster Management and Health Wing takes initiatives at its own level to embrace the sanitation condition in the country by recognizing its unsaid duty towards preserving the environment.
