

2020-2021

Name of the Department/Society: National Service Scheme

Name of the Event 41: Group Discussion on Online Mode of Education vs Health

Date of the Event: 25th February, 2021

The pandemic has affected every aspect of human life. Whether its mental health, physical health or a combination of both, students especially have had a great share of problems. To shed light on this issue, we at NSS Hansraj organized a group discussion on 25th February 2021 on the topic 'Online Mode of Education vs Health'. Volunteers put forward their opinions and the audience was an integral part of the discussion as they asked questions and put forward their own opinions. In all, the discussion was a fruitful affair as everyone participated cordially and enthusiastically to arrive at meaningful conclusions. The event ended on a successful note and reiterated the sentiment that mental and physical health is crucial for proper development of an individual. We thank everyone for their sincere participation in this event.
