Name of the Event 3: Fumigation in Yamuna Khadar

Date of the Event: 24th August, 2018

N.S.S. Hansraj took up the task of fumigating the Yamuna Khadar Slum. The slum, adopted by N.S.S. Hansraj, is located on the banks of the river Yamuna, and has always been under the incessant threat of diseases like Malaria and Dengue. The drive was undertaken by Mr. Dharmendra from EAST DMC, under whose guidance, a door to door awareness campaign was organised where residents of the slum were made cognizant of the measures that can prevent the spread of such fatal diseases, the importance of adequate hygiene and the dangers that clogged water brings with itself. All homes and pits containing stagnant water were treated. N.S.S. Hansraj acknowledges the efforts of all those present for the drive and thanks them immensely.
