Name of the Event 12: Computer Literacy Programme

Date of the Event: 22nd September, 2018

N.S.S. Hansraj recently organised a computer literacy programme in the Yamuna Khadar slum area. Computers have come to be indispensable to the modern world, and keeping that in mind, some basic information about the computer and its functions was imparted to the youth of the slum. The basic course dealt with switching a computer on and off, with navigation, internet browsing and applications like MS word. The programme would be carried forward on every alternate Sunday of the month. N.S.S. looks forward to this initiative wholeheartedly!
