### Event Description (About 250 Words)

In the auburn October mornings of 2023, a series of impactful drives were conducted under the banner of “Special Campaign 3.0 under Swachhata,” aiming to promote environmental consciousness and a sense of responsibility toward our surroundings. Carried out efficiently by NSS volunteers, these maneuvers sought to raise awareness about the crucial need for ecological change within one’s vicinity.

Held on 18th, 21st and 28th October, this trifacta enunciated a sense of deep respect and duty towards the resource-provisioning environment around us. Transcending the peripheries of limitations and exhaustion, volunteers dedicatedly covered the entire vicinity of Hansraj College and the extended North Campus. These prolific campaigns involved clearing and sweeping physical debris, collecting litter and fostering in a communal dialogue emphasizing community well-being, as well as undertaking the final leg in the form of accumulation and deposition of garbage.
