**Organised by:** The Finance and Investment Cell, Hansraj College

**Duration:** 8<sup>th</sup> February 2024 – 27<sup>th</sup> February 2024

**Name of Convener:** Mr. Ashutosh Yadav

## **Event Description:**

Project Parivartan is a nationwide initiative led by the social wing of the Finance and Investment Cell at Hansraj College. The core mission of this project is to merge financial literacy with social responsibility, aiming to empower marginalised communities across India by equipping them with essential financial knowledge. Now in its fourth edition, Parivartan 4.0 focuses on target groups such as Self-Help Groups (SHGs), widows, and residents of old age homes. These communities often lack access to mainstream financial education and resources, making them vulnerable to economic instability.

The volunteers of the society conducted workshops on key financial topics including personal finance management, savings, investments, and the basics of economics. The objective was to demystify financial concepts and provide practical tools for these communities to manage their personal and household finances better. Volunteers ensured that the sessions were interactive and accessible, tailored to the specific needs of each group.

To measure the effectiveness of these sessions, a pre-session and post-session survey was administered. The questionnaire assessed participants' knowledge of basic finance and economics both before and after the workshops. This approach not only helped in understanding the immediate impact of the sessions but also provided valuable insights for refining future initiatives.
