NSS Hansraj conducted an interactive session on the last day of 'Joy of Giving Week 2021' on 10th October. Our core members, coordinators, and volunteers whimsically participated in fun activities and games entailing 'Fastest finger first', 'Guess the advertisement tag line', 'Sell a product' alongside jamming on songs and a team building session of story formation game. These enhanced the involvement of the volunteers and boosted their soft skills too. The alacrity with which our team interacted mesmerized everyone and ended the week on a positive and successful note. Prioritizing the holistic development and mutual upliftment of our team, we ensure to keep organizing such amazing events in the future.
