Name of the Department/Society: **National Service Scheme**

Name of the Event 41: MERA SWABHIMAN MERA ADHIKAR

Date of the Event: 9th March 2022

In continuation of our attempt at celebrating women, we at NSS Hansraj set up stalls in college premises for our flagship initiatives, Project Kalam and Project Jugnu, wherein eco-friendly candles made by reusing wasted wax were put up for sale on 9th March 2022.

The programme, dubbed "मेरा स्वाभिमान, मेरा अधिकार!", aimed at providing financial independence to underprivileged women who have been hit hard by the pandemic. To spread the word of mouth about the hard work put in by our women beneficiaries in producing the candles, our dedicated volunteers split up their labour between dealing with visitors at the stall and inviting college public to the counter.

Following proper covid protocols, we were fortunate to witness astounding responses from college students and staff. Owing to their open-hearted goodwill, we were able to clear all of our stock. All profits accruing out of the sales have been rightfully accorded to the women beneficiaries of our projects.

A single act of kindness can throw out roots of happiness in all directions. Let us all keep spreading kindness in the smallest of ways we can!
