Event Description

On the 23rd of September, the Mahatma Hansraj Centre for Innovation, Incubation, and Entrepreneurship (MHCIIE), in partnership with The Entrepreneurial Cell of Hansraj College, hosted an enlightening podcast featuring Mr. Satish Singh, a leading investor in the Deep Tech space and Head of Growth & Partnerships at Sanchi Connect. The session provided invaluable insights for aspiring entrepreneurs, delving into the pivotal role of deep tech startups in shaping India's vision of a 'Viksit Bharat.'

Mr. Singh shared his remarkable journey from the corporate sector to the startup ecosystem, illustrating the critical importance of innovation, resilience, and strategic growth in the entrepreneurial world. He highlighted the role of Sanchi Connect in empowering deep tech startups by facilitating access to funding, fostering connections with key investors, and offering cutting-edge management software to incubators for streamlining operations. This ecosystem-building approach, according to Mr. Singh, accelerates startup growth and fosters a collaborative community that thrives on innovation.

The podcast also shed light on the revolutionary impact of Artificial Intelligence (AI) on the Indian business landscape. Mr. Singh eloquently described how AI and deep tech are not only transforming industries but also positioning India as a global leader in technological advancement. He emphasized the role of such disruptive technologies in driving economic growth and innovation at an unprecedented scale.
