

2020-2021

Name of the Department/Society: **National Service Scheme**

Name of the Event 11: BloodConnect Webinar

Date of the Event: 7<sup>th</sup> October, 2020

Every year thousands of people die due to shortage of blood. In order to address this problem and spread awareness about blood donation, a webinar was conducted on 7 October 2020 as Day 3 of our Joy of Giving week by Mr. Deepak Goel from BloodConnect on “Blood shortage in India during Covid-19” which was attended by over 100 students and our Programme Officer Dr. Monika Koul. In the session, various topics related to blood donation and blood shortage were discussed and the attendees were briefed about BloodConnect, a youth run initiative in the field of voluntary blood donation. A quiz was also organised at the end to test our knowledge gained in the session. It was a highly productive session in which students took great interest and many students pledged to donate their blood.
