

2021-2022

Name of the Department/Society: **National Service Scheme**

Name of the Event **43: SURVEY UNDER UNNAT BHARAT ABHIYAN**

Date of the Event: 5th March 2022

The most productive policies are made when the institutions in power can recognize accurately what it is that the people need and want. Taking heed of the same, we at NSS Hansraj on the 5th of March successfully conducted a survey under Unnat Bharat Abhiyan in Sanjay Basti.

The purpose behind the survey was to have an effective and elaborate interview with the residents, collect information about their occupation, education, etc. to help the government in their future policy planning process. The residents were also informed about the present policies in effect for them.

Our team of 30 volunteers was able to successfully survey over 70 households! That's precisely 70 families whose problems were heard alongside brainstorming solutions for them. With this, we at NSS Hansraj promise to keep striving at this pace towards uplifting the underprivileged.
