

## 2021-2022

Name of the Department/Society: **Green Warriors Club**

Name of the Event : Webinar on conservation of nature

Date of the Event: 28<sup>th</sup> July 2022

On July 28, we successfully conducted a webinar with 75+ participants on the topic "CONSERVATION OF NATURE" in order to create and increase awareness about the importance of natural resources. Our persuasive speaker was Mr. Rituraj Phukan is a part of the Indigenous People's Climate Justice Forum, a writer, an adventurer and an environmentalist spreading awareness about actions on three W's which are Warming, Water, and WildLife. He started his talks by "Connecting the 3 W's" and the Weather Report. Since INDIA was speared with the Heat Waves, we can expect it in: The maximum temperature was recorded on 9th July which was the Reliable World Heat Record. The temperature was 54.4°C, Furnace Creek in Death Valley. The minimum temperature was recorded on 11th July which was Warmest Night in North American History. The temperature was 42.0°C, Stovepipe wells in Death valley. 29th June was New All-Time Candian Heat Record in Lytton Canada and the temperature was 49.6°C. He also talked about the Climate Crisis in Germany, Austria, China, Belgium. He made us aware of the assessment of Climate Change over the Indian Region due to Melting Glaciers, Cyclones, Monsoon Floods, and Rewinding the Global Alliance. In the end, he smoothly answered the queries of the participants. Overall the session was very informative and enlightening.
