Date of the Event: 11<sup>th</sup> September, 2018

On the occasion of the Universal Brotherhood Day, we at NSS Hansraj, commemorated the importance of a familial essence in the way we lead our lives. It's important to be informed, but it's even more crucial to make sure that all strata in society have access to all the values and the information that we do. Only then, we believe, we'll be able to achieve our eternal goal of this world being a family in the true essence. The Educational Wing of NSS Hansraj, Padhaku, organised a workshop on 'Good Touch, Bad Touch', in collaboration with the NGO, 'Umeed ki Kiran'. The interactive session elaborated on recognising danger and the steps to undertake for the same. The Padhaku children took an active part, interacting energetically with the mentors. The kids and volunteers were also gifted with the kit with smiley goodies and chocolates too, thus ending the event on a blissful note.
